## Leading a Christian ministry

is becoming more and more complex. Together we can wrestle with the big issues, share best practice and determine the best path forward. We deeply believe that . . .

*wisdom is at the table.*

The writer of Hebrews said, *Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another--and all the more as you see the Day approaching. (Hebrews 10:25).*

Join us as we meet together, encourage one another and serve God with more effectiveness as we face the challenges of today's complex ministry context.
